Public Weigher

Byron Kirby moved and it was so voted that D. Morris Lamprey continue as Public Weigher for the ensuing year.

ARTICLE IV. Byron Kirby made a motion that the Town Treasurer be authorized with approval of the Town Selectmen to borrow money in anticipation of taxes. It was a vote.

ARTICLE V. Mr. Berry moved the article and it was seconded by Mr. Kelleher. Mr. Smith made a motion to amend the article by adding to it, "to the highest bidder." After much discussion, Mr. Fritz made a motion to amend Article V to read: "The Selectmen will be charged to notify all abutters by registered mail of any public property to be sold or conveyed and also make due notice in the media consisting of more than one newspaper having local publication in the seacoast area." It was a vote.

ARTICLE VI. On the Official Ballot.

ARTICLE VII. Mr. Kierstead made a motion to accept this Article as read. Seconded by Mrs. Luther. It was a vote.

ARTICLE VIII. Mr. Claverie made a motion that the Article be approved as read. It was seconded and was a vote.

ARTICLE IX. Mr. Berry made a motion that this article be approved as read. It was seconded and was a vote.

ARTICLE X. Mr. Knowles moved this article be accepted as read. It was seconded and was a vote.

ARTICLE XI. Mr. Perkins moved this article be accepted as read. It was seconded and was a vote.

ARTICLE XII. This article was amended by Mrs. Hoglander to read "to see if the Town would authorize the Selectmen to appropriate the sum of \$50,000.00 and to raise the sum of \$25,000.00 for the purpose of construction and equipping of four tennis courts. The remaining \$25,000.00 to be obtained from Federal Matching Funds." This amendment was moved and seconded. It was a vote. A motion was then made that we use yes-no ballots with the checklist. The motion was submitted in writing with five signatures. The vote on Article XII was YES, 184; NO, 118. It was a vote.

ARTICLE XIII. Mrs. Read moved that the Article be accepted as written. Mr. Southall seconded the motion. It was a vote.

ARTICLE XIV. Mr. Kierstead made a motion that this Article be approved as read. It was seconded and was a vote.

ARTICLE XV. A motion was made by Mr. Cuetara to amend Article 15, "That the Selectmen notify the proper authorities that we, the people of North Hampton, unalterably oppose any refinery in the seacoast area and connecting terminal systems." It was seconded and was a vote.

ARTICLE III. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Mr. Berry moved that the following sum be raised and appropriated to defray expenses for the following year. This amount includes all money articles approved and it is in the amount of \$369,722.94. It was seconded and made a vote.

ARTICLE XVI. To transact such other business as may legally come before said meeting.

Mr. Byron Kirby, as his last act as selectmen, recognized two dedicated Town Officials that retired. Mrs. Viva Brown, Treasurer and Mr. Ralph Seavey, Tax Collector. Mrs. Brown was presented with a plaque and flowers and Mr. Seavey, who was absent, will be given a plaque.

Mr. Kierstead then recognized Mr. Kirby for his seven and one half years of service as selectmen and asked the group to rise and give Byron a vote of thanks and bon voyage.

Shaun Berry made a motion that the meeting adjourn. It was seconded. The meeting was dissolved at 10:23 p.m. The Polls closed at 10:45 p.m.

Respectfully submitted,

DELORES J. CHASE

Town Clerk

SELECTMEN'S REPORT

This has been a most unusual year, to say the least, for people responsible to live and operate within a fixed budget. In this report, the Board of Selectmen hope to enlighten you and bring to you facts of Administrative problems that have faced us as "Town Fathers", as they have faced you, operating and trying to "live within your means" with your own attempted fixed operating budget at home.

I believe under the circumstances the Town has received its moneys worth. We have a complex of Town Buildings constructed, second to none. We built them when building costs seemed high and loan rates higher than we ever experienced in previous years. Time has proven us wiser than our anticipations, we are thankful for your loyal support, tax money and backing for an up-to-date "Master Plan for Development" on schedule. We have overspent on unanticipated expenses rightfully so. I believe we all strive in our own homes to maintain standards that we can and may be proud of.

Through the leadership and resourcefulness of the members of the Fire Department and our able Chief Wilbur Perkins, we have fire equipment constructed with their own hands and finished worth in excess of One hundred thousand dollars. I am referring to the rebuilt Ladder Truck and the Tank Pumper.

We also are fortunate in having a full time Highway Department Agent, Vernon Seavey, who has done such a remarkable job on the highways and enacted a program of improvements to our roads that we as a Town have never before undertaken, rebuilding road foundations, improving culverts, repairs to maintenance facilities, etc. We are also grateful for the able guidance and advice given to the Board

of Selectmen on our repair problems from the "retired" Earl (Pat) Spear.

We, the Board of Selectmen, are most grateful that there are those of you who are proud of our Town and we need your continuing support for equal taxation, so that our standards and goals may be maintained "second to none".

Fluctuating prices, legal expenses, unforeseen expenditures that are required by law for auditing etc. are reasons for budget variances that we have experienced during the year 1974, as I have said before "just like your own home".

The Board of Selectmen needs your continuing "Support" to get the job done.

All minutes of Selectmen Meetings are a matter of Public Record and approved.

Support your local Ambulance Corps and the Highway Safety Committee.

Visit your Town Buildings.

I "Thank you", the people of North Hampton and my fellow Selectmen for the support you have given me and I hope that I have proved worthy of it.

Respectfully submitted,

MAURICE E. KIERSTEAD

Chairman Board of Selectmen

DATES AND FACTS TO REMEMBER

The Selectmen meet every other Monday evening and the offices, Selectmen's, Town Clerk and Tax Collector are open at the hours posted.

Property inventories will be distributed on or before March 25, 1975. If you do not receive one, they will be available at the Town Office. The due date for filing is April 15, 1975. By State Statute, a property inventory must be filed if a tax appeal is to be heard, if you are requesting a Veteran's exemption and if you are requesting an exemption for over 70.

To request a Veteran's exemption, you must have a permanent form on file, at the Selectmen's Office, and each year you must sign the inventory form requesting the exemption as well as completing the balance of the form, and sign it.

To request over 70 exemption, you must file the required form each year as well as the inventory form. Forms will be available at the office in March.

We are here to assist you and answer questions regarding records to the best of our ability.

AUDITOR'S REPORT

January 27, 1975

This certifies that I have this day completed an audit of the 1974 financial records of the Selectmen, Town Treasurer, Town Clerk, Trustees of Trust Funds and Library Trustees.

I have also completed an audit of the Tax Collector for the period March 15, 1974 to December 31, 1974.

I have found all of the above to be correct in all respects.

Respectfully submitted,

CHARLES W. TILTON, JR.

NORTH HAMPTON POLICE DEPARTMENT

Report of 1974

January 17, 1975

We have been fortunate this past year to have no more crime activity than last year. People are more aware of a national increase in crime and are locking their doors and protecting their property against intruders.

It is wise to leave an inside light on when you are away for an evening and we would suggest that you call the Police Department and advise them when you are going to be away for a few days or more. Also, it is important to remember to write down the registration number of any cars which you consider suspicious.

This year we are providing a crossing guard at the school to protect the children.

We would like to take this opportunity to thank Selectman Maurice E. Kierstead for his cooperation and help during the past fourteen years.

Respectfully submitted,

RALPH A. O'CONNOR

Chief of Police

NORTH HAMPTON FIRE DEPARTMENT

Report of 1974

The Fire Department responded to 91 Emergency Calls for various causes and a number of service calls throughout the year. There were no major fire losses for 1974 in North Hampton.

Breakdown of Calls follows:

Structure Fires	8	Auto Accidents	10
Auto Fires	7	Miscellaneous	28
Woods & brush	19	Mutual Aid	19

The Fire Department took over the despatching and maintenance of the Ambulance in May. The Ambulance has been despatched 63 times from May to the end of the year.

In April the Department secured a military 6/6 truck from the Forestry Department. The truck is owned by the State of N.H. and loaned to the Town without charge. A new tank was built by the members of the Fire Department at a total cost of \$2,061.85. Estimated cost for hiring the tank built outside was from \$5,000.00 to \$8,000.00.

This newly outfitted Tanker replaces a 1955 International 1,250 gallon Tanker that was in need of repairs. The old Tanker was sold for \$500.00, reducing the total cost for the new one to \$1,561.85.

Since the formation of the Seacoast Chief Fire Officers Association last year, the Association has purchased a hose-coupling machine. This Association has been able to purchase other equipment for individual towns at great savings by buying in quantity and therefore getting better bid prices.

I would like at this time to thank all the residents of

North Hampton for their support. We need it to have a good Fire Department. Anyone wishing to stop in to see the Station and Equipment is welcome to do so any time. We would also show you the needs we have requested for the coming year.

Respectfully submitted,

WILBUR D. PERKINS

Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in co-operation with the N. H. Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 a.m. and 5 p.m. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

REPORT OF THE LIBRARY TRUSTEES

Our goal for the new library in the first year was a library for everyone. We have worked to extend our programs for the pre-school children to compensate for the lack of a kindergarten in our school. We have scheduled children's art exhibits, films, and reading programs and provided an adult reading room with more publications to enjoy. We need to do more with adult services, which we hope to be able to do in the next year.

We now have an Advisory Board appointed by the Trustees. The five members are William Boesch, Dorothy Colbeth, Lorna Scheyer, Barbara Stenquist, and Jennifer Weston. They assist the trustees and librarians with suggestions, criticisms, and ideas for improvements in the library.

Our library participates with other area towns in cooperative programs of book buying and film projects, which saves much in time and money. We are enjoying more cooperation between our school library and our public library to realize the best possible uses of our resources.

The successful art exhibits throughout the year were organized by Barbara Stenquist, Chairperson of the Arts Committee. The artists who contributed so much to our pleasure were Charles Rice, Paul and Elaine Stark, Stephen Read, North Hampton Children, Katherine T. Meyer, Joan Osborn Dunkle, and Pamela Bottomley.

The Friends of the Library have contributed an enormous amount of support with their purchases of audio-visual equipment. This has enabled us to provide programs that otherwise we could not have. The Friends, also maintain the monthly displays in the Special Collections Room.

The Garden Club has contributed to the exterior appearance of the grounds with their donation of the shrubbery.

The North Hampton Woman's Club purchased a display case for the Special Collections Room.

The Trustees hosted an April Workshop for the Southeast District, a new service for us. All trustees attended the Annual State Library Conference in Laconia in May — a much needed continuing education program for all of us.

The Trustees are most grateful for everyone's support, and we are looking toward a bigger and better year in 1975.

Respectfully submitted,

JANE M. PALMER

Chairperson

PLANNING BOARD ANNUAL REPORT

The Board had a relatively slow year due in part to a sluggish real estate market. The effect of zoning changes which were approved by the 1973 Town Meeting reduced applications. There was only one subdivision approval which entailed the construction of streets. Most other approvals were of a minor nature.

The Board has revised the Subdivision Regulations in order to conform to state statutes and make them more easily usable.

The Board has undertaken a study of the Zoning Ordinance as it pertains to signs and after a series of meetings with the North Hampton Businessmen's Association has several proposals which will be voted on by the 1975 Town Meeting.

Finally the Planning Board has under study and will upon completion, recommend changes to the Zoning Ordinance to control both construction and safety standards of any private pipelines which could traverse North Hampton.

The Board wishes to thank the Conservation Commission for its help and for making available to us a set of map overlays which indicate wetlands and other useful items.

Respectfully submitted,

WALTER S. LERMER

Chairman

REPORT OF THE BUILDING INSPECTOR

In 1974 the total value of construction was \$873,900. Of this amount \$159,000 represents Phase II of the shopping center and \$29,500 for a new restaurant at the site of the Wishing Well Motel. The balance represents 11 new homes, as well as additions, alterations and renovations to homes and businesses.

The Building Inspector is available to be of assistance on all projects within the town that are regulated by the National Building Code and the Town Zoning Ordinance.

Respectfully submitted,

HOMER B. STODDARD

Building Inspector

REPORT OF THE NORTH HAMPTON CONSERVATION COMMISSION FOR 1974

In compliance with RSA 36A-2, the Conservation Commission submits the following report to the voters of North Hampton.

The members of the Commission met monthly throughout the year and acted upon many projects which we hope will improve the town. During 1973 and the spring of 1974 a successful recycling program was conducted. In June of 1974 this program was discontinued due to the operation of a commercial recycling center located in North Hampton. This center is no longer operating, and at the present time we are investigating the possibility of a regional recycling program.

In May, the annual roadside clean-up was held with a good turnout of townspeople to help. A large percentage of roads was covered, and we hope the roadsides appeared cleaner, for several days anyway. This year clean-up day will be Saturday, April 5, so mark the day and plan to lend a hand.

Continuing our pursuit of open space land as requested by the town in 1972, we were very lucky to receive a gift of 3 acres which is adjacent to the town's present 12 acres. This land, like the 12 acres, will remain forever in its natural state. The Commission will also receive approximately 50 acres in the near future through a third party transfer. This transfer was necessary in order to receive non-town funds which may be used for additional land purchase or improvement.

Late in the summer, we co-sponsored a representative to a convention on solid waste disposal. The representative,

Mr. Herbert Moyer, returned with a large volume of information on recycling, composting, and landfill dumps such as ours. This information is available to anyone who desires to use it.

The members of the Commission also became involved in the construction of a set of informational maps of the town of North Hampton. When completed, we hope these maps will become valuable tools which may be used, not only by the Commission, but by any other group or board working on land use planning.

The members of the North Hampton Conservation Commission would like to thank all citizens, town officials, and friends who have assisted us in achieving our goals for 1974.

1974 REPORT OF THE NORTH HAMPTON RECREATION COMMISSION

In 1974 the summer recreation program was very ably directed by James Clifford, assisted by Janelle Parrish. Student assistants were John McIlveen and Sue Goddard.

There were more than 125 youngsters participating in the program, and several guests joined in during the eight weeks beginning June 26. The ever-popular trips to Pawtuckaway State Park were part of the program, as well as trips to Canobie Lake Park, a Boston Red Sox baseball game, a deep-sea fishing expedition, an evening trip to a Portsmouth movie, a "Beach Day" and picnic, a climbing expedition to Crotched Mountain, and a combined meeting with Rye youngsters to see a performance by the Little Red Wagon puppet troupe.

There were many interesting "Theme Days", some based on past successes such as the Junior Olympics, and some an entirely new experience. The two softball games with Rye ended in a tie - won one and lost one, which leaves the championship to be settled next year.

North Hampton youngsters are fortunate to have the support and interest of the town for such an interesting and varied program.

1974 REPORT OF THE NORTH HAMPTON YOUTH ASSOCIATION

This year was one marked by growth in both programs and participation for the Youth Association. In addition to the boys' activities of baseball, ice hockey, football, soccer, and basketball, two new girls' programs, soccer and basketball, were added to the existing softball program. A total of 690 youngsters were involved in these programs, an increase of 220 over last year. In keeping with the growth in activities and participants, the Board of Directors was increased from 10 to 15 members.

In March Mr. Stanley Knowles donated the land where our baseball field is located. His generosity was sincerely appreciated and we voted to name the field the Steven Knowles Memorial Field. Work on the field continued this spring and the installation of the new chain link fencing was completed. In addition to the work on the baseball field, two new soccer fields were made to use this fall.

Each year our operating funds are derived from a town appropriation, registration fees, donations, and various fund-raising events. This year we raffled off a hindquarter of prime beef. This was a very successful raffle and we plan on having it again next year. It should be noted here that all funds are used only to purchase equipment and maintain facilities. Our programs are all run by volunteer help.

We are very fortunate in our town to have many people who give most generously of their time and knowledge each year. It is their efforts that make the programs for our children a success. We thank again those who have helped and welcome those who would like to help.

Respectfully submitted,

JOSEPH C. EGGLESTON

NORTH HAMPTON AMBULANCE CORPS

North Hampton, N.H.

To the residents of the Town of North Hampton, the personnel of the North Hampton Ambulance Corps respectfully submit their annual report.

Your new Chevrolet van model ambulance started service in the month of April, 1974, and since that date ninety-nine requests for assistance have received as prompt and efficient service as is humanly possible.

As in the past few years, all drivers and attendants must have a current license and also in accordance with state law, carry a registration card which signifies their compliance with stated regulations with regards to training, including C.P.R. and the equipment the vehicle carries. The North Hampton ambulance carries a rating for vehicle and personnel of Class I.

The above mentioned cards must be renewed on a yearly basis and our log book shows, once again, the wide variety of illnesses and injuries we have attended during the past year.

Four hundred residents now have our five dollar a year contract and there is room for more. Contracts are available by contacting Mrs. Franklin Wolfsen, Exeter Rd., North Hampton. This contract entitles you and your family residing at the same address to our twenty-four hour emergency service for one year.

Since the Town purchased the new ambulance with Revenue Sharing funds, some of our contract money has been spent in purchasing the very best and most efficient equipment available, and with the valuable assistance and meticulous care given the vehicle by the North Hampton Fire Department, we are now certain to answer a call for assistance immediately.

During this past year, Mrs. Robert Allen has been successful in organizing an Ambulance District in this area. This group of members from several areas meet with Hospital personnel for the purpose of updating and improvement of conditions under which we work. These meetings generally cover a wide range of subjects and are very valuable to the ambulance crews themselves.

This report would not be complete without once again expressing our heartfelt and sincere thanks to you all for making it possible for us to work from this new modern vehicle; to the Selectmen who were so aware of our work and needs; and most certainly to all the men and their Chiefs in the Fire and Police Departments, it is a pleasure to know and work with you all.

May each and everyone enjoy a healthful and accident free year.

Respectfully submitted,

NANCY CARTER

Secretary

SEACOAST HOME HEALTH ASSOCIATION

Since the Seacoast Home Health Association was established five years ago, serving the towns of North Hampton, Hampton, Hampton Falls and Seabrook, the number of calls made have increased from 2,089 the first year to 4,775 this past year. Our staff now consists of five full time RN's and one part time LPN. In addition to the nursing staff, we have under contract, a Physical Therapist, the services of a Speech Therapist when required and a full time secretary-bookkeeper.

During the fiscal year July 1, 1973 to June 30, 1974, 808 calls were made in North Hampton. Of these calls, 287 were made free of charge or at a reduced fee. It is agency policy to scale fees or provide service on a no charge basis to those patients unable to pay.

Currently, 35 children from North Hampton are being followed at our Well Child Clinic. They received physical exams, immunizations, counseling, blood tests, developmental screening, urine tests and vision and hearing tests. A dental clinic for those children in the Well Child Clinic was also held which included cleaning, topical fluoride treatment and dental health teaching.

Visits are made monthly to those persons who are included in the State TB program to observe for any adverse reactions to their prescribed medications and to assist them in making appointments for adequate follow-up care.

We are also involved with the Aftercare program in conjunction with the Seacoast Regional Counseling Center. Referrals are made to the appropriate agencies when the need arises. Some of these resources are Family Planning Clinic, Crippled Children's Clinic, Pediatric Cardiac Clinic, Child and Family Services, Welfare and Legal Aid.

Our growth is evident and the community shows increas-

ing awareness of our programs. In November of 1974, the agency office was moved to bigger quarters in the Bryer Building, 20 A High Street, Hampton.

As of January 1, 1975, to avoid confusion, the agency is now known as the Seacoast Visiting Nurse Association.

On behalf of the Board of Directors, I wish to express our appreciation to the four towns involved, to the organizations and private citizens who have contributed to this worthwhile work and to the women who volunteer at the Well Child Clinic. The Board is very proud of our nurse director, Mrs. Gardner and her staff of dedicated and conscientious nurses and full time secretary.

1. To see what action the District will take in relation to reports of Agents, Auditors, Committees or Officers chosen.

Mr. Parkinson moved that the article be accepted in favor as written - seconded - hand vote - passed.

2. To see what sum of money the District will raise and appropriate for the support of Schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

Diane Jones of the School Board made a motion that the School District raise and appropriate the amount

\$619,981.97 for the support of schools, (for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.) noting that a trampoline had been donated to the school district prior to the meeting thereby reducing the budgeted figure of \$700.00

Nat Lyons, Post Road, made a motion that the budget vote by line item by line item - seconded - hand vote - 22 yes - 52 no - it was NOT a vote.

A vote was taken on the original motion of \$619,981.97 - hand vote - passed

3. To see if the District will vote pursuant to RSA 31:105 to provide indemnification for District Employees, School Administrators, School Board Members, District Officers or Agents from personal loss or expense including reasonable legal fees and costs, if any arising out of any claim, demand, suit or judgment by reasons or negligence or other act resulting in accidental injury to a person or accidental damage to property providing the indemnified person was at the time of the accident acting within the scope of his employment or office.

Tony Parkinson made a motion that the School District accept the article as read - seconded - hand vote - passed.

4. To see if the District will vote to increase the membership of the School Board from three to five members, and if so voted, to elect the two additional members at the School Districts' Annual Meeting in 1975, the terms of the two new members to be one for three years and one for one year, thereby maintaining an uneven number of members, RSA 197:6 and 197:15 as amended.

NOTE: RSA 197:6 was amended to allow inclusion of an article upon petition of ten or more voters. RSA

197:15 was amended so that any District may have a School Board Consisting of Three, Five, Seven, or Nine members.

Mr. Paul Cuetura, Winnicut Road, moved that the question be voted upon as read - seconded. He explained the reasons for the article - After considerable discussion from the floor a hand vote was taken regarding the article - not passed.

5. To transact any further business that may legally come before said meeting.

none

A motion was made to adjourn - seconded - hand vote - passed - annual meeting adjourned at 8:15 P.M.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of North Hampton:

I submit, herewith, my annual report for the North Hampton School District.

Working under a State mandate, the Staff Development Committee has completed the local Staff Development Master Plan which has been approved by the School Board and the Superintendent. Teachers in the District have also been asked to react to the Plan. The State Department Staff Development Team will now review the Plan for endorsement.

As everyone is aware, inflation has been rampant this year. As of this writing, the Consumer Price Index increase is estimated to be 14% for 1974. Increased prices have already been noted in the cost of fuel oil, electricity, textbooks, paper, and other consumable materials. Hopefully, 1975 will see a return to normalcy.

The Assistant Superintendent for Special Services has been engaged in the curriculum investigation, testing procedures, staff evaluation, and special education. Local Staff Development sub-committees are in the process of being elected. Curriculum committees in each of the subject areas are continuing their activities.

We have 270 certificated and 95 non-certificated employees in the Supervisory Union affecting the education of 4,357 students. In an attempt to better educate your children, it is inevitable that changes will take place. All of this is done with maximum planning, within the confines of the law, and with the knowledge of your School Boards.

The following are December, 1974 enrollment figures for the six school districts that make up Supervisory Union #21:

PRINCIPAL'S REPORT

It is with pleasure that I submit my second report as the principal of the North Hampton School.

The support for all levels of education in North Hampton makes the community an excellent place for an educator to work. This support for education is strongly felt by the staff and I believe this support is what makes so many of the staff give that little extra that makes the difference between a good teacher and an excellent one.

The help given us by the School Board and the community in our short and long range curriculum work is one very vivid example of this support. Another example is the excellent turnout during the various visitation periods that we have such as open houses, parent conferences, seasonal programs and classroom projects.

It is important to us that the total community as well as parents understand what is happening in the North Hampton School. Teaching is not and cannot be a single sided profession. It is deeply involved with the community and we hope the community will continue to be involved in our growth and with the changes that are taking place.

We have initiated a new social studies program this year that we feel will make the students more aware of what is going on around them and around the world. The program puts more emphasis on the hows and why than on memorization of exact whens and wheres. Memorization of exact places and dates does not carry the importance that it once did.

We have, however, discovered that in some areas perhaps we have de-emphasized the power of quick and immediate

recall that is developed by memorization. Therefore, the staff is presently putting a great deal of time and effort into reviewing our current math program.

A third area of the curriculum that has been identified by the staff as needing updating is the area of science. Some outstanding work has been done and is being done in our school but we do feel that work is needed so that we can have a better program for all levels within the school.

Human growth is systematic in that it proceeds through an orderly series of sequential steps. It is variable, however, in that each individual grows through these sequences in his own way and at his own rate. At any chronological age it is anticipated that individuals will be found at different sequential steps in their development. The way the child grows depends on such factors as the kind of physical specimen he is, the experiences he has had and the way parents, teachers and other significant adults feel and act toward him in relation to trust, understanding and affection.

If we can continue to help this growth by providing North Hampton's children with the best materials and teachers available, then the physical limitations of the school plant need no more mention at this time than they just received.

I would like once again to thank the teaching and non-teaching staff at North Hampton, the North Hampton School Board and the community for the support they have given to me and the school during the past year.

Respectfully submitted,

THOMAS H. BURBANK
Principal
